Description:

Uluru is a well conformed powerful macho with very heavy bone. He has no doubt about his role in life. His 11th fleece still has a very even colour with nice character, little guard hair and no white fibers.

One of Uluru's greatest strengths lies in what thoroughbred breeders call the "nick" between his genetics and Tulley's, as demonstrated by our 2020 cria **.

Viraocha has a fawn sire but his dam's pedigree is all black. Almost all Uluru's pedigree is Australian, other than Poppy's sire, Rural Alianza Wiracocha of WSX.

Progeny

44 progeny registered, 6 of which have won 1 or more Championships and/or Reserve Championships: Pennant & Fury were among the earlier ones; Big Bopper, Grey Indie Sky & Chubby Checker more recently. His 2020 DRE cria include Balaclava, Aphrodite and Zazou**.

Prizes Won:

Shown for the first time in 2015, once in 2016 and twice in 2017, and winning Senior Fawn Male on all four occasions.
